

Permit Checklist

Fences

The ACC ***will not*** consider your application unless all of the below are completed and included in your application. Please read and complete all of the items in the package. Be sure that the completed application package is received by the CCPOA Office at least 72 hours prior to the ACC meeting.

- Completed, signed Construction Application Permit Form
- A scaled drawing showing property lines, easements, improvements, and the location of the proposed fence and gate(s)
- One copy of any construction plans
- Specifications and details of the proposed fencing materials, corner bracing, fence height, and posthole depth
- Signed, dated Fence Requirements form
- Permit Fee
