

OUTDOOR LIGHTING

Examples

UNSHIELDED FIXTURES

Discouraged

Fixtures that produce glare and light trespass

Full Cutoff and Fully Shielded Fixtures

Recommended

Fixtures that shield the light source, to reduce glare and light trespass and to facilitate better vision at night.

Diagrams courtesy of Bob Crelin

*******Ask your local electrical suppliers for "full-cut off" or "fully shielded" light fixtures. Once you have selected fixtures which are compatible with your architecture and community, contact the manufacturer's representative to see a sample of the fixture(s) and to ask for a free lighting plan. If you have a CAD file, the plan can be easily provided in a short period of time. *******

Most lighting manufacturers have Application Departments which will execute free lighting plans to meet local lighting codes.

See this website for links to manufacturers:
