

# Permit Checklist

## Outdoor Lighting

The ACC ***will not*** consider your application unless all of the below are completed and included in your application. Please read and complete all of the items in the package. Be sure that the completed application package is received by the CCPOA Office at least 72 hours prior to the ACC meeting.

- Completed, signed Construction Application Permit Form
- Scaled drawing showing property lines, easements, improvements, and the location(s) of the proposed lighting installation
- Materials; specifications and details
- Signed, dated Outdoor lighting Requirements form
- Permit Fee, if any
