

## Permit Checklist

### Bulkheads and Piers

The ACC will not consider your application unless all of the items below are completed and included in your application. Please read and complete all of the items in the package. Be sure that the completed application package is received by the CCPOA Office at least 48 hours prior to the ACC meeting.

- Completed, signed Construction Application Permit form
- Stamped survey plat showing property lines, easements, improvements, and the location(s) of the proposed pier and/or bulkhead
- One copy of all permits/plats/surveys/maps provided to you by any agency with authority over the project
- Two copies of any construction plans
- Materials; specifications and details
- Signed, dated Bulkheads and Piers Requirements form
- Permit Fee
